THE JOURNEY OF SANGAM UNIVERSITY, BHILWARA

Sangam University, Bhilwara is established by an Act passed by Rajasthan Legislation Assembly vide Act No. 14 of 2012 dated 02/05/2012. The University is permitted to offer various courses in the discipline of Engineering & Technology, Management Studies, Legal Studies, Pharmacy, Nursing, Applied Sciences, Food Processing, Agricultural Sciences, Media & Mass Communication, Tourism and Hospitality Management, Architecture etc.

In the midst of rivers like Banas, Kothari, Khari, Menali, Berach, and Mansi lies a small city named 'Bhilwara' which is known as the 'Textile Hub', where several small scale and large-scale industries are settled down. In this textile city, there's a feather in the cap 'Sangam'. The word "SANGAM" means getting together and togetherness substitute's unity. To uphold this unity Sangam University has been established by BadrilalSoni Charitable Trust and Promoted by Sangam Group of Industries with the mission to make world-class higher education affordable and assessable to all sections of society. The vision of university is to become center of excellence for the holistic development and global education of the students by cultivating and nurturing young minds into global leaders of the future. University tries to provide a professional environment along with the moral and human values to the students. We are committed to offering an educational milieu which is tuned to the needs of global markets.

The university finds its roots in Institute of Technology and Management – ITM Bhilwara which was established in the year 2003 under the aegis of Badrilal Soni Charitable Trust and supported by Sangam Group of Industries a name to reckon with in Textiles and diversified into steel, infrastructure and power sectors with an annual turnover of Rs. 5000 Crores. Propelled by the motto "Where Aspiration Meets Opportunity", Sangam University strongly believes in the mission of generating Tomorrow's Leaders Today by an educational process with a vision to take up challenges across the globe.

Throughout years, efforts are on to strengthen the academic core of various programs as well as deepening the feel-good factor which not only supports and complements the academic program but also provides personal growth and development.

Sangam University supports the students coming from rural background and ethnic minorities. Our intake statistics and steady application clearly show that we are doing enough to encourage students from economically weaker and underprivileged sections of the society to apply for a place in the university. We want talented minority students, who are deprived of standard education to come to achieve their dreams at Sangam University. As a responsible institution we feel strongly that we need to sustain and expand access across the socio-economic spectrum. This is a critical part of our commitment ensuring that financial contraries do not prevent qualified students from getting university education.

Sangam University maintained a steady momentum with community connect initiatives through Career counseling for various school students, Swaach Bharat Abhiyan, Digital India Computer Awareness Quiz for School children, Vivekananda Kendra Quiz, Team India ICC World Cup Cheer Campaign, joining hands with HDFC bank for blood donation, joining hands with Lions Club for eye donation etc. Sangam University hosted Leadership in Education sessions for Rajasthan Govt School Principals and Improving Effectiveness in Teaching for Rajasthan Govt School Science Teachers.
