Workshop on Research Methodology

(17- 21 December, 2018)

About Sangam University

The word “SANGAM” means confluence of rivers, denoting an act of coming together or all merging into one. To uphold this unity, Sangam University has been established by Badrilal Soni Charitable trust and promoted by Sangam Group of Industries with the mission to make world class higher education affordable and accessible to all sections of society. The vision of our University is to become a center of excellence for holistic development and global education by cultivating and nurturing young minds to transform into global leaders of the future. The University tries to provide professional environment along with imbibing a sense of moral and humane values. We are committed to bring forth an educational milieu which is tuned with the needs of global markets.

Founded in the year 2012, with state-of-the-art infrastructure and facilities, Sangam is built with the objective to become one of the best universities of Rajasthan. We meet the demands of this dynamic corporate and professional society.

Our degree programmes and foundation years have always been distinctively challenging and flexible to foster a broader outlook. Our interdisciplinary approach doesn't just reinforce a wonderful education but empowers budding professionals of tomorrow.

Sangam is a student-centered university that empowers each individual to succeed. We offer an accessible, nurturing and student-focused education experience to those who want to move ahead steadily towards personal or professional growth. Our diverse faculty maintains good association with students, mentoring them throughout their entire educational journey. SU is a comprehensive University of learning – dedicated to the internal and professional growth of our students.

Program Overview

Management education spread its efficacy all over the world and is undergoing transition by time. Need of the hour is to enrich the intellectual capital and simultaneously focus on linking classroom teaching in management education with research and adding new dimensions to the body of knowledge. Research is a vanguard in management education and fresh knowledge with updated issues should be developed from time to time and thus is a need of learning research methodology tools among faculty members and research scholars to enhance their teaching skills. It is important to impart knowledge pertaining to scientific inquiry and to integrate qualitative and quantitative approaches in research. Knowledge of applied research tools and methodology along with the use of software helps in integrating research and practice.

Hence, to ensure more skilful and scientific data analysis as well as high quality research output from faculty, a formal training is required. Keeping this in view, Sangam School of Management Studies is organizing a five days workshop on Research Methodology to promote research and to enhance the skill set of faculties and researchers.

The workshop aims to understand and recognize situations that requires learning statistical analysis, how to select and apply appropriate technique and to promote and enrich the professional skills and to develop a climate for research.

Objectives

- Enabling the participants to define research problem and select suitable research design
- Imbibe capabilities for formulation and testing of hypothesis based on the nature of research
- Apprehend appropriateness of statistical software packages for data analysis
- Developing Software proficiency and equipping the participants with hands on practice with SPSS and E-views.

Contents

Relevance of Research in Education	t- Test and Z- Test
Importance of Literature Review and Referencing Style	Factor Analysis
Introduction to Quantitative and Qualitative Research	Correlation & Regression Analysis
Questionnaire and Sampling Design	Runs Test
Hypothesis Testing	Kruskal Wallis Test and Wilcoxon Test
Chi Square	Unit Root
ANOVA	Granger Causality, ARCH & GARCH

Registration Fee

Participants	Amount
Academician	2000
Persons form Industry	2000
Research Scholar	1500
Student	500
Accommodation Charges	2000 (For 5 Days)

Registration & Mode of Payment:

Any prospective member can register for the programme by filling up the registration form attached with the brochure and can send the scanned copy to mail id workshopsoms@sangamuniversity.ac.in Last Date for registration is 12 December, 2018
