Feedback on Curriculum 2021-22

Stakeholders' suggestions and Action Taken Report

Presently, two programmes are running in the SOAST namely B Sc (Hons) Ag and B Sc (Hons) ABM. The courses in both the programmes are same till third year (VI semester). Hence the feedback is same.

Teachers' suggestions and Action Plan on Curriculum

S.No.	Suggestions	Action Plan
1	All most all the faculty of SOAST is fully satisfied with the syllabus of both the programmes ie. B Sc (Hons) Ag and B Sc (Hons) ABM as the syllabus were prepared considering the V Deans committee of ICAR, New, Delhi, incorporating the local need based on Agro-climatic condition.	Need not to change the approved syllabus of B Sc (Hons) Ag and B Sc (Hons) ABM

Students' suggestions and Action Plan on Curriculum

S.No.	Suggestions	Action Plan
1	Majority of the students are ranked as good and excellent about syllabus of both the programmes ie. B Sc (Hons) Ag and B Sc (Hons) ABM as the syllabus were prepared considering the V Deans committee of ICAR, New, Delhi, incorporating the local need based on Agro-climatic condition.	Need not to changes in the approved syllabus of B Sc (Hons) Ag and B Sc (Hons) ABM
2	Some students emphasized on practical's	Students are not able to perform practical due to online mode of classes during last 3 semesters and it can be resolved if classes will be

		conducted on offline mode.
--	--	----------------------------

Parents suggestions and Action Plan on Curriculum

S.No.	Suggestions	Action Plan
1	Majority of parents are satisfied with the syllabus	Need not to change the approved syllabus
2	More focus on practical's	Students are not able to perform practical due to online mode of classes during last 3 semesters and it can be resolved if classes will be conducted on offline mode.

REPORT ON FACULTY/STUDENTS/PARENTS FEEDBACK ON CURRICULUM

Faculty - Feedback was collected on the following points:

1. The learning objectives are clear and appropriate to the program.
2. The curriculum and syllabus are well organized and suitable to the program
3. The system followed by the University Design and development of curriculum is effective.
4. How do you rate the electives offered in relation to the technological advancements.
5. Rate the composition of the courses in terms of Professional core, professional elective, open elective, project etc.
6. The curriculum has a good balance between theory and practical.
7. Rate the offering of the electives in terms of their relevance to the specialization streams.
8. Suggestions for further improvement.

The undergraduate program B.Sc (PCM and CBZ) and Post graduate program M.Sc (Chemistry, Physics, Zoology, Botany, Mathematics and Geoinformatics) are running in SOBAS. The curriculums are parallel with the leading international and national institutions. Also the curriculum is based on Choice Based Credit System giving ample scope of learning to the students; hence the entire faculty rates the curriculum excellent or good. Some faculty also suggested making some modifications in subjects which are incorporated for the improvement of curriculum.

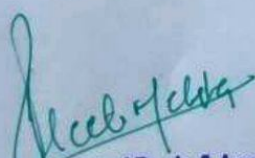

Dean School of Basic & Applied Science
Sangam University, Bhilwara

School of Basic & Applied Science

Students - Feedback was collected on the following points:

1. Rate the syllabus of the courses (Subject)
2. Size of syllabus in terms of the load on the student.
3. The offering of the electives in terms of their relevance to the specialized streams
4. How do you rate the electives offered in relation to the technological advancements?
5. Content of the courses encourages extra learning/ self-learning.
6. Rate objectives and competencies expected out of the course.
7. The offering of the electives in terms of their relevance to the specialized streams
8. Suggestions for further Improvement.

All the students are satisfied with the curriculum and syllabus of their concerned programme and course as most of the student rates the curriculum excellent and good. Although curriculum is enriched with content but suggestions are also given for the revision in a few subjects. Curriculums with required changes to the Academic Council and changes have been incorporated accordingly.

Dean School of Basic & Applied Science
Sangam University, Bhilwara

School of Basic & Applied Science

Parents - Feedback was collected on the following points

1. Rate the learning experience gained by the ward through curriculum of the course
2. Rate the availability of the Text and reference books in the Market
3. Rate the courses in terms of their relevance to the latest technologies or future technologies.
4. Rate the competency of the curriculum with respect to other Universities
5. Satisfaction level of curriculum design as per the requirement of employability / Higher Learning.
6. Suggestions for further Improvement.

Majority of parents rated the curriculum excellent and good as the curriculum is good and overall development is possible through this curriculum but also given suggestions for improvement. The suggestions are incorporated and Curriculum with required changes to the Academic Council and changes has been incorporated accordingly.

Feedback on Curriculum 2021-22

Stakeholders' suggestions and Action Taken Report

Teachers' suggestions and Action Plan on Curriculum

S.No.	Suggestions	Action Plan
1	More softwares needs to purchased	Already updated the systems and new softwares were taken.
2	Some Syllabus needs to be revised according to new trends.	New syllabus proposed of many subjects and revised
3	Internship and placement opportunities need to be increased	Meeting held with TPO and discussed.

Students' suggestions and Action Plan on Curriculum

S.No.	Suggestions	Action Plan
1	Should Organize more extra curricular activities	Many offstage and Onstage competitions are held for the students by various clubs of the university
2	Students should give themselves the right to choose elective subjects.	Students were given choice of electives and asked to fill their choice in the google form designed.
3	Course should be updated every semester with respect to the technological advancements	B.Tech. in Mechatronics is introduced.
4	Increase some practical knowledge.	Already many lab courses are there in the curriculam and students are asked to compete the practical as per the subject requirements.
5	Placement issues	Skill development courses and additional workshop are organized to enhance the skills of students for good placements

Alumni suggestions and Action Plan on Curriculum

S.No.	Suggestions	Action Plan
1	Training opportunities should be better and In core companies.	Informed to TPO cell and every students are being provided the

2	Job placement are not good	opportunities. Communicated to the TPO cell to arrange more placement opportunities for students.
3	Include engineering drawing and Autocad as essential subject and give deep knowledge about industrial instruments machinery (eg. Range, variety and capacity of equipment) and Indian standards used in various industry. It is very essential for future job because 95% students try to get job in industry only and others move to R&D / higher studies.	Already implemented. Students are being trained on these software as per industry requirements

Parents suggestions and Action Plan on Curriculum

S.No.	Suggestions	Action Plan
1	Require higher packages for their ward.	Communicated to the TPO cell to arrange more placement opportunities for students. Already running the general aptitude, personality development classes in extra timings by the TPO cell.
2	Sport facilities and tournaments should be organized.	Already students are being taken to many national tournaments.
3	More exposure to students.	Expert lecture are organized and students are taken for industrial visits. Already our curriculum is updated every year as per industry requirements.

SCHOOL OF MANAGEMENT STUDIES
Feedback Analysis report of session 2021-22 and
Action Taken for the Session 2022-23

Date: July 2, 2022

Feedback system is an effective measure to understand the need perception of stakeholders. School of Management Studies has undertaken an extensive feedback system to identify the areas of improvement and constructively strive to fulfill the expectations of stakeholders.

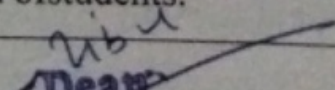

S. No.	Suggestions by Students	Action Plan
1	<ul style="list-style-type: none"> New value added course must be introduced. Some skill oriented and practical based courses must be incorporated. 	<p>Three value added courses will be run by faculty members of SOMS</p> <ol style="list-style-type: none"> 1. Basic of SPSS at Level 8 and at level 9(for UG and PG programme) 2. Advancing towards English Efficiency at level 6. 3. Business analysis and valuation for MBA in finance, HR analytics for MBA in HR and basic of Marketing analytics for MBA in Marketing. 4. Courses and syllabus will be introduce as per NEP2020 guidelines.

[Signature]
Dean

School of Management Studies
 Sangam University, Bhilwara

2	Presentation and student oriented practices should increase.	Faculty members are asked to incorporate presentations as a compulsory method of assessment which will lead to improvement in student's managerial skills.
3	Interaction with industry experts should be increased	Seminars, Expert lectures with senior industry expert and industrial visits will be planned.
4	Introduce new programmes and incorporate more specialization	• Various new programmes and diploma courses must be incorporated such as Diploma in Hospital Administration, MBA with specialization in Hospital Administration.

S. No.	Suggestions by Teachers	Action Plan
1	Students should get more industry exposure.	Number of industry visits for students to be increased.
2	Activity based learning and practical oriented learning should be increased instead of theoretical learning.	It is planned that faculty members will incorporate innovative teaching pedagogies like- flipped classroom, gamification, presentation and practical oriented teaching methods.
3	Students must possess research oriented skills.	To enhance the knowledge of research new programmes must be incorporated that is B.Com. Research, BBA-Research and MBA-research to hone the research acumen of students.

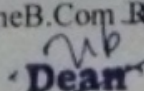

Dear
 School of Management Studies
 Sangam University, Bhilwara

4	Students should learn through MOOC courses (NPTEL or SWAYAM)	As per NEP guidelines it must be incorporate a compulsory credit based MOOC course for students of UG and PG levels.
---	---	--

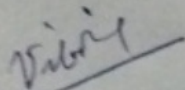

S. No.	Suggestions by Parents	Action Plan
1	Revise curriculum and must incorporate new courses and programmes as per industry requirements.	New courses and programmes introduced to cope up with industry requirements.
2	Other than courses extra ability and knowledge should be enhanced.	Value added classes on different aspects planned for students.

S. No.	Suggestions by Alumni	Action Plan
1	Students can be made employable when they improve on their communication and presentation skills.	It is planned that presentations will be made a regular practice for improvement of managerial skills.
2	Courses on latest technology and as per industry demand must be introduced.	It is planned that more value added courses and degree courses focused on research and core values and demand of industry.
3	Expert lectures and visits must be increased for bridging the gap between industry and Academia.	Number of industry visits, research and expert lectures will be increased.

Curriculum enrichment is a continuous process which is based on the systematic feedback process from the stakeholders. Based on the feedback new programme B.Com Research, BBA

Dear
 School of Management Studies
 Sangam University, Bhilwara

Research, MBA research, one year MBA programme, one year MBA and Four Years B.Com programmes per New Education Policy will be introduced. Various diploma courses and Value addition courses will be planned to incorporate in coming academic year. Participation of students in Training & Placement activities will be increased, more number of workshops and seminars will be organized.
