## ABOUT AIU

The Association of Indian Universities (AIU), established in 1925 as the Inter University Board (IUB) of India, is India's leading inter-university representative body, officially registered as a society in 1967 and renamed in 1973. As the second-oldest university association worldwide, AIU represents the largest network of higher education institutions in India, with 972 domestic members and 17 associate members from countries including Bangladesh, Bhutan, Malaysia, Nepal, and the United Kingdom. Its diverse membership spans conventional, open, deemed, state, central, and private universities, as well as Institutes of National Importance. AIU has been instrumental in shaping higher education in India, led by visionary leaders such as Dr. Sarvepalli Radhakrishnan, Dr. Shyama Prasad Mukherjee, and Dr. Zakir Hussain. Over the years, it has established itself as a key policy advisory body to the Ministry of Education, actively participating in all major national education committees and commissions.

As an academic think tank, AIU engages in research and policy advisory work to support government initiatives, conducts capacity-building projects, and provides essential information on higher education in India. AIU also promotes the internationalization of Indian higher education by building relationships with global institutions and advancing educational collaboration. AIU's vision is to establish itself as a dynamic and impactful advisory organization that supports the growth and recognition of Indian higher education on the global stage. It strives to drive national and international partnerships in higher education, research, youth development, sports, and cultural activities, thereby enhancing the quality of education, research, and academic extension activities among its member institutions. Through these efforts, AIU aims to strengthen its role in promoting excellence and collaboration across the Indian higher education system.

## ABOUT SANGAM UNIVERSITY

Sangam University, accredited with NAAC, has been established by Badrilal Soni Charitable trust and promoted by Sangam Group of Industries in the year 2012, with the mission to make world class higher education affordable and accessible to all sections of society. The vision of our University is to become a center of excellence for holistic development and global education by cultivating and nurturing young minds to transform into global leaders of the future. The University tries to provide a professional environment along with imbibing a sense of moral and human values. We are committed to bring forth an educational milieu which is tuned to the needs of global markets.

Sangam is a student-centered university that empowers each individual to succeed. We offer an accessible, nurturing and student-focused educational experience to those who want to move ahead steadily towards personal or professional growth. Our diverse faculty maintains good association with students, mentoring them throughout their entire educational journey.

## ABOUT AIU-SU-AADC

AIU-Sangam University - Academic and Administrative Development-centre (AIU-AI-AADC) has been initiated by the institute in association with Association of Indian Universities (AIU) as a step towards training the human resources of higher education institution.

The aim of establishing these Centres is to organize short-term professional development programmes for the faculty members and training programmes for the administrative functionaries of the member universities especially on the use of technology and adopting blended learning methods of teaching.

AIU-AADC will offer short-term programs of varying duration aimed at continuous capacity building of the key stakeholders through online and in physical modes.

## ABOUT THE FDP : INDIAN KNOWLEDGE SYSTEM (IKS)

The National Education Policy (NEP) 2020 envisions a transformative shift in the Indian educational landscape, emphasizing a comprehensive, interdisciplinary, and learner-centered approach. A significant pillar of NEP 2020 is the integration of India's rich and diverse Knowledge Systems (IKS) into modern education, bridging ancient wisdom with contemporary teaching practices. This FDP is designed to equip educators with the skills, knowledge, and understanding necessary to infuse Indian Knowledge Systems into various subjects and pedagogies, promoting a holistic and inclusive learning environment. This FDP aims to bridge the gap between traditional knowledge and modern educational practices, promoting a holistic and interdisciplinary approach to education.

This FDP will serve as a catalyst in transforming Indian education by reconnecting it with its cultural roots and historical wisdom, aligned with the aspirations of NEP 2020.

## KEY TAKEAWAYS

- Understanding the role of Indian Knowledge Systems (IKS) in holistic education.
- Exploring NEP-2020's vision for IKS in modern curricula.
- Strategies to integrate IKS in teaching and learning.
- Enhancing cultural awareness and critical thinking.
- Practical approaches for educators to bridge traditional and contemporary knowledge systems

## EXPECTED OUTCOMES

Participants will gain a deep understanding of the relevance of IKS in modern education, learn to integrate IKS into curricula, and enhance pedagogical skills. This program will foster innovative educational approaches, holistic student development, and a deeper cultural perspective among educators and students.

Networking Opportunities: Connect with experts and peers to explore interdisciplinary approaches.
