SANGAM UNIVERSITY, BHILWARA

ABOUT AIU

The Association of Indian Universities (AIU), established in 1925 as the Inter University Board (IUB) and renamed in 1973, is India's leading inter-university representative body. Officially registered as a society in 1967, it is the second-oldest university association globally, representing 972 domestic and 17 international members from countries like Bangladesh, Bhutan, Malaysia, Nepal, and the UK. Its diverse network spans central, state, private, and deemed universities, as well as Institutes of National Importance.

AIU has significantly influenced Indian higher education, guided by leaders such as Dr. Sarvepalli Radhakrishnan and Dr. Zakir Hussain. As a key policy advisory body to the Ministry of Education, it has contributed to national education policies, conducted research, and implemented capacity-building initiatives. AIU also promotes the internationalization of Indian higher education by fostering global collaborations and partnerships.

With a vision to elevate Indian education on the global stage, AIU focuses on advancing partnerships in research, youth development, sports, and cultural activities. It strives to enhance the quality of education and collaboration among its members, strengthening its role as an impactful advisory organization.

ABOUT SANGAM UNIVERSITY

Sangam University, accredited with NAAC, has been established by Badrilal Soni Charitable trust and promoted by Sangam Group of Industries in the year 2012, with the mission to make world class higher education affordable and accessible to all sections of society. The vision of our University is to become a center of excellence for holistic development and global education by cultivating and nurturing young minds to transform into global leaders of the future. The University tries to provide a professional environment along with imbibing a sense of moral and human values. We are committed to bring forth an educational milieu which is tuned to the needs of global markets.

Sangam is a student-centered university that empowers each individual to succeed. We offer an accessible, nurturing and student-focused educational experience to those who want to move ahead steadily towards personal or professional growth. Our diverse faculty maintains good association with students, mentoring them throughout their entire educational journey.

ABOUT AIU-SU-AADC

AIU-Sangam University - Academic and Administrative Development-centre (AIU-AI-AADC) has been initiated by the institute in association with Association of Indian Universities (AIU) as a step towards training the human resources of higher education institution.

The aim of establishing these Centres is to organize short-term professional development programmes for the faculty members and training programmes for the administrative functionaries of the member universities especially on the use of technology and adopting blended learning methods of teaching.

AIU-AADC will offer short-term programs of varying duration aimed at continuous capacity building of the key stakeholders through online and in physical modes.

ABOUT THE FDP

The Faculty Development Programme on “New Paradigms of Ed-Tech: The NEP 2020 Perspective” is designed to help educators embrace modern educational technologies in alignment with the National Education Policy 2020. It highlights the role of Ed-Tech in creating inclusive, learner-centric environments through digital content, MOOCs (like SWAYAM), AI tools, and blended learning strategies. The program encourages innovation and collaboration to enhance teaching effectiveness in the digital era.

OBJECTIVES:

- Introduce faculty to NEP 2020's vision on tech-enabled education
- Explore new trends in educational technology and digital teaching tools
- Train faculty to integrate MOOCs, SWAYAM, and blended learning into their curriculum
- Promote use of digital platforms and open resources for interactive, outcome-based teaching.

EXPECTED OUTCOMES

- Understand NEP 2020's vision for tech-integrated, learner-centric education
- Gain insights into emerging educational technologies and platforms (e.g., MOOCs, SWAYAM)
- Enhance digital pedagogical skills and online content delivery
- Strengthen outcome-based education through digital assessment tools
- Encourage collaborative teaching via digital platforms
- Cultivate a growth mindset for continuous faculty upskilling in Ed-Tech
