

ABOUT

SANGAM i-TBI

Sangam i-TBI (Inclusive Technology Business Incubator), a DST-supported initiative of Sangam University, Bhilwara, is dedicated to fostering innovation, entrepreneurship, and technology-driven startups. It provides aspiring entrepreneurs with incubation support, mentorship, industry connect, funding opportunities, and infrastructure. With a focus on Textile & Apparel, Engineering & Manufacturing, Agriculture & Agribusiness, and Education & Skill Development, Sangam i-TBI empowers innovators to transform ideas into sustainable and scalable ventures.

OUR FOCUS AREAS

TEXTILE & APPAREL

Innovating the future of textiles and sustainable fashion.

MANUFACTURING & ENGINEERING

Driving innovation in engineering solutions and smart manufacturing.

EDUCATION & SKILL DEVELOPMENT

Empowering minds through learning, skills and capacity building.

AGRICULTURE & AGRIBUSINESS

Innovating for sustainable agriculture and food security.

OUR SYSTEM ENABLERS

DEPARTMENT OF SCIENCE & TECHNOLOGY (DST), GOVERNMENT OF INDIA

The Department of Science & Technology (DST), Government of India, is the apex governmental body dedicated to promoting science, technology, innovation, and entrepreneurship across the country. Through initiatives such as the NIDHI (National Initiative for Developing and Harnessing Innovations) program.

CESD CENTRE FOR ENTREPRENEURSHIP & SKILL DEVELOPMENT (CESD), SANGAM UNIVERSITY

The Centre for Entrepreneurship & Skill Development (CESD) serves as the innovation and entrepreneurial development hub of Sangam University. CESD cultivates entrepreneurial thinking by organizing startup awareness programs, business plan competitions, skill development workshops, innovation challenges, industry interactions, and capacity-building initiatives.

SANGAM UNIVERSITY, BHLWARA

Sangam University is a multidisciplinary institution committed to academic excellence, research, and innovation. Through its collaboration with Sangam i-TBI and CESD, the university provides an ecosystem that nurtures startups, encourages industry collaboration, and supports entrepreneurial growth in Tier - 3 region of Rajasthan.
