About Sangam University

Sangam University has been established by Badrilal Soni Charitable trust & promoted by Sangam Group of Industries with the mission to make world class higher education affordable & accessible to all sections of society. The vision of our University is to become a center of excellence for holistic development of students by cultivating nurturing young minds to transform into global leaders of the future. The University tries to provide professional environment along with imbining a sense of moral & humane values. We are committed to bring forth an educational milieu which is tuned with the needs of global markets.

About Bhilwara

History, mythology, art, culture and poetry blend seamlessly to create a city of great depth and prosperity in Bhilwara, Rajasthan. Ancient forts with crumbling walls, narrating tales of centuries gone by, stand proudly next to the burgeoning progress of a textile and manufacturing hub in this city. Poets have found inspiration here and artists, their muses. Age-old temples, lush green gardens and intricately carved rock formations only add to the understated beauty that is Bhilwara.
